Community Environmental Monitoring of the Rio Tinto Eagle Mine

Rio Tinto Eagle Mine already has State of Michigan regulatory oversight. In addition, independent third-party monitoring provides community oversight of the mine’s environmental performance. This is how it works:

Marquette County community foundation

MCCF sets up an oversight board.

- One member with environmental experience
- One member with mining experience
- MCCF appoints a chair
- One member appointed by Anishnabe Nation
- One member from general community

Funds Superior Watershed Partnership.
Oversight of monitoring program implementation.
Dispute resolution.
