The Honourable David Caplan
Minister of Public Infrastructure Renewal
6th Floor Mowat Block
900 Bay Street
Toronto, ON M7A 1L2

Dear Minister Caplan,

On behalf of the mayors of the Great Lakes and St. Lawrence Cities Initiative, we would like to congratulate you on your reappointment as Ontario's Minister of Public Infrastructure Renewal. As you chart out plans for your ministry over the next four years, we urge you to treat action on the Great Lakes and St. Lawrence as a high priority.

The Great Lakes and St. Lawrence Cities Initiative is a bi-national association of mayors of 49 cities in 10 states and provinces, including Ontario, that are located in the Great Lakes and St. Lawrence Basin. The mayors share a commitment and passion for protecting the health of the Great Lakes and St. Lawrence ecosystem, the source of drinking water, economic vitality, and recreational activity for over 40 million people.

The Cities Initiative applauds the Provincial Government's commitment to the Great Lakes with its leadership on the Great Lakes Charter Annex, the 2007 Canada-Ontario Agreement Respecting the Great Lakes Basin Ecosystem, and the *Clean Water Act*. We urge you to continue to build on these successes.

In particular, the Cities Initiative is asking the Ontario Government to involve local governments as full partners on Great Lakes and St. Lawrence matters, and secure municipalities a seat at the table for the renegotiation and implementation of COA 2010, and other provincial decisions related to the Great Lakes and St. Lawrence.

Likewise, it is important that the Ministries of Public Infrastructure Renewal, Environment, and Municipal Affairs work with Great Lakes municipalities to determine infrastructure funding priorities that would directly benefit the Great Lakes, such as sewage treatment upgrades, the separation of combined sewers and management of stormwater runoff, and the replacement of leaking water distribution systems.

Thank you in advance for your thoughtful consideration of this request of the Great Lakes and St. Lawrence Cities Initiative to continue the Government's strong support for the Great Lakes and St. Lawrence in its second mandate.

Sincerely,
