

Great Lakes and St. Lawrence Cities Initiative Municipal Adaptation and Resiliency Service

Call to Action Form

Please fill in this form with details of your municipality's planned adaptation and resiliency measures for 2014-2016. This information will be made available to other Cities Initiative members on the MARS portal (www.ccadaptation.ca/MARS). By checking off the category of adaptation measures that apply to your activities, you will enable others to search for categories of measures on the MARS portal. Text fields in this form will expand according to your entries.

While budgets for adaptation measures are often found in multiple departments, please enter an aggregate sum if it is available.

Thank you for completing the MARS Call to Action Form. Kindly return it by email to simon.belisle@glslcities.org.
