The Fund for Lake Michigan accepting Pre-Proposals for Fall 2018 grant cycle

Due September 24, 2018

The Fund is seeking projects that enhance the health of Lake Michigan and its tributaries through habitat restoration, pollutant reduction, stream restoration and improvements to coastal areas in Wisconsin. Please review the attached guidelines for eligibility requirements and further information on the Fund's grant making priorities, timeline and process. The proposals must be submitted through the Fund's online grants management system (see attached directions). Invitations to submit full proposals will be sent out in October.

The National Oceanic Atmospheric Administration (NOAA) Climate Program Office funding opportunities

Letter on intent due September 10, 2018 @ 5:00 pm EST

Full applications due November 20, 2018 @ 5:00 pm EST

The NOAA Climate Program Office has announced FY 2019 federal funding opportunities to support high-priority climate science, assessments, decision support research, outreach, education, and capacity-building activities designed to advance understanding of the Earth's climate system, and to foster the application and use of this knowledge to improve the resilience of the Nation and its partners.

The NOAA Marine Debris Program "Marine Debris Removal" federal funding opportunity

Due October 29, 2018

Projects awarded through the removal grant competition will create long-term, quantifiable ecological habitat improvements for NOAA trust resources, with priority consideration for efforts targeting derelict fishing gear and other medium- and large-scale debris. Projects should also foster public awareness of the effects of marine debris to further the conservation of resources and habitats, and contribute to the understanding of marine debris composition, distribution and impacts.

CA OPPORTUNITIES

New application deadlines for asset management grants

Deadlines vary

Due to high demand, the Federation Canadian Municipalities (FCM) has updated the deadlines for municipalities to submit a grant application through the Municipal Asset Management Program (MAMP). Below you will find the most recent information.

Municipalities outside of Quebec – submission deadline: October 23, 2018

The call for applications for asset management grants will close on October 23, 2018 for all non-Quebec municipalities. Accepting application submissions until Tuesday, October 23, 2018 at midnight EDT, or until funding is fully allocated.

Quebec municipalities – submission deadline: April 1, 2019

Due to delays in the funding process for Quebec municipalities, applications for direct funding through MAMP will be accepted until Sunday, April 1, 2019 at midnight EDT.
