City of Contrecoeur

Our economic strengths

- Highways 132 and 30 with two interchanges in the industrial zone
- Port of Montréal in operation for more than 50 years
- CN railway
- High-flow natural gas (Énergir)
- High-voltage power line (HQ)

OTTAWA ●

● MONTRÉAL

● QUÉBEC

Economic Mission

Contrecœur's economic mission

- Ensure a harmonious development of the city of Contrecœur by establishing **a maritime hub where the river will be the economic engine of the industrial, commercial, industrial-port, logistics and tourist zones**, with the aim of maximizing local, provincial and Canadian economic benefits.

Industrial and commercial projects

- Expansion of the Port of Montréal
- Logistics hub
- Industrial-port zone
- Cité 3000
- Technopole Contrecœur

Pôle logistique régional de Contrecoeur Zone industrialo-portuaire
