

# Get the attention of over 250 mayors and political leaders at the 2021 Virtual Great Lakes and St. Lawrence Cities Initiative Annual Meeting

**This virtual event, through the power of technology, will offer many opportunities to network with political leaders. Here are some topics to expect:**

- Planning for and funding shoreline resilience for today and the future
- Understanding the impacts of COVID-19 on city infrastructure and operations projects
- Planning for and responding to the impacts and costs of climate change on cities and their infrastructure
- Combating water equity challenges, including the cost of water, lead issues, water infrastructure, and water quality

## **EVENT SPONSOR CONTRIBUTION (\$1,500)**

**Limited Sponsorship opportunities available!**

- **Corporate Video** – a two minute video opportunity to promote your company's offering played once during the conference sessions
