Participating Mayors:

Mayor Cavalier Johnson, Milwaukee, WI

In April of 2022, the people of Milwaukee elected Mayor Cavalier Johnson as the forty-fifth chief executive of the City of Milwaukee. Earning more than seventy-percent of the vote, he became the first Black mayor elected in the city, and only the fourth elected mayor in the past sixty-two years. Mayor Johnson took office as Acting Mayor of the City of Milwaukee in late 2021, and he set out immediately to build a safer city. He has prioritized violence reduction, economic development, and roadway safety. Before taking on his role as Acting Mayor, Johnson served as Common Council President while representing the city's 2nd Aldermanic District.

Mayor Johnson's commitment to public service began at an early age when he was selected by the YMCA to participate in a pre-college program for low-income Milwaukee Public School students. That program, Sponsor-A-Scholar, instilled in him a passion to make Milwaukee better for future generations. Growing up, his family moved frequently, and until middle school Mayor Johnson attended a different Milwaukee Public School almost every year. He has seen violence, evictions, and food insecurity — challenges common in urban poverty. He brings that lived experience to his work as Mayor.

After graduating Bay View High School, Mayor Johnson earned a bachelor's degree from the University of Wisconsin-Madison and returned home to work for the Milwaukee Area Workforce Investment Board, now Employ Milwaukee. His focus included working with at-risk young people, youth looking for their first jobs, and adults retooling to enter the workforce. Before his election as alderman, he served as a staff assistant in the Mayor's Office, where he worked with community and faith leaders to find creative solutions to pressing issues facing families.

After retiring from playing, McKinney's versatility, likeability, professional demeanor, and business acumen catapulted him into the front office management with the Chicago Bulls, where he became the first African American executive in the history of the organization. McKinney's management career consisted of positions as General Manager for the Minnesota Timberwolves, Detroit Pistons and the WNBA's Seattle Storm.

Since being elected Mayor of Zion in 2019, McKinney was immediately appointed as the Board Member for the Lake County Land Bank, Vice President of the Coalition for Healthy Communities, Commissioner and Executive Board Member of the Lake County Community Housing Development Commission, and the Lake County Council of Mayors.

This particular commission is working closely with the President Biden's administration to receive funding through the recently passed Infrastructure Bill to focus on the challenge of clean and affordable water to citizens, solutions to urban flooding, replacement of lead from water, replacing lead pipelines, and creating job opportunities for minorities in the water workforce. In 2022, Mayor McKinney continued his leadership with the organization and was elected chair of the Great Lakes and St. Lawrence Cities Initiative.

McKinney received a full athletic scholarship to play basketball and baseball at Northwestern University in Evanston, Illinois. While at Northwestern, McKinney led the basketball team in scoring steals and assists, was named the team's MVP for 3 consecutive seasons, was an All-Big 10 performer for 3 consecutive seasons, and was recognized as an All-American player by most media outlets. McKinney graduated from Northwestern with a B.S. degree in Education and Social Policy.
